FCC Environmental Services Expands Municipal Portfolio with Town of Pierson Partnership

Pierson, FL – February 25, 2026 – FCC Environmental Services is pleased to announce a new municipal partnership with the Town of Pierson, Florida. Service under this agreement will begin March 1, 2026.

This collaboration represents another meaningful step forward in FCC Environmental Services' continued growth across Florida. By leveraging the established Volusia County framework, the Town of Pierson can seamlessly access reliable, high-quality solid waste and recycling services supported by FCC's experienced team and operational excellence.

"We are honored to welcome the Town of Pierson to our growing municipal portfolio," said Dan Brazil, CEO of FCC Environmental Services. "This partnership reflects the trust communities place in FCC Environmental Services to deliver dependable service while advancing sustainable practices that benefit residents and businesses alike."

The addition of Pierson reinforces the company's commitment to building long-term relationships and supporting the communities where it operates.

FCC Environmental Services looks forward to working closely with Town leadership and residents to ensure a smooth transition and continued service excellence through the duration of the agreement.
